Mark Twain, Alive! featuring Dr. David Bailey

From Missouri in the 19th century to the Virginias in the 21st century, Twain's insights and humor are considered timeless, and Bailey, critics say, he brings the literary legend to life. His portrayals of Twain have been described as "entertaining evenings of politics."

"Mark Twain breathes life into history," said Bailey. "His perspectives on politics and life help keep us all focused on reality."

Bailey is president of David Bailey Associates, a political consulting and lobbying company in Richmond, Virginia. A former college history professor, he is a veteran of more than 500 performances in 13 states of "Mark Twain, Alive." Bailey has also served as Chair of the Board of Trustees at Bluefield College and is a friend to the Greater Bluefield Area, assisting elected and non-elected leaders in the region for many years.

The Robert F. Hamilton Award and 2017 highlights of the Chamber will also be presented during the event.
